## Let's Prepare for Our Class

- Ask parents to send in a large photograph of their family including grandparents if possible. It could be a photocopy or a scan. Try to have a photograph of your own family.
- @ Make a Big Book: *Children, Children, Who Do You See? I See (Victor's) Family* with all the toddler's families and names.
- Have small bins of small scraps of all kinds of paper, one for each table. You can snip pieces from the sets of textured and colored papers.
- @ Check your iPad to make sure it is synchronized and has the necessary tracks and pictures you need for today.

## Let's Start

Start with the usual *Morning Routine* of greeting the children at the door. Play **Track 3**, *Good Morning!* and have the toddlers come and sit in a circle. Encourage them to sing along and to clap to the rhythm. You can also play another song as a signal for them to come join you in the circle.

*Family Photo:* Show the class your family photo.

**T:** *I'm happy. This is my family. This is my mommy, this is my daddy, this is my sister, and this is my brother. (Adapt to your family.)*

Ask 3-5 toddlers to get their family photos. Help each toddler show their family photo and say: *This is my family. This is my...etc.* (Use your iPad to take a photo of each family photo to then project during other times.)
